

Program Committee Update

We have a very exciting one-day event coming up February 24th in central Phoenix titled **“Provider and Health Plan Relationships on the Path to Accountable Care”**. This one day event will convene executives from health systems, medical groups, health plans, and other organizations to discuss how the Affordable Care Act and MACRA are driving providers and health plans into accountable care relationships. We will hear details on the importance of EMR integration including aligning MIPS & Alternative Payment Model/ACO quality metrics. We will learn directly from the health plans and their partner ACO’s regarding network configuration, risk sharing, quality measurements, utilization targets and more. Please join us for this unique educational opportunity!

Spring conference will be April 6th - 7th in Chandler, Arizona at Wild Horse Pass Resort. With healthcare reform upon us, we will be focusing the Spring Conference on the following topics:

- Affordable Care Act / MACRA
- Regulatory Issues Facing the Accounts Receivable Management Industry
- Cyber Security
- Aligning Acute Care and Physician Revenue
- Federal & State Tax Risks and Developments
- Maintaining Motivation in Today’s Environment
- Government Relations Panel
- AHCCCS Update

Please join us for excellent education and great networking!
