

Value-Based Care, Bundled Payments & Post-Acute Partnerships – Az HFMA One Day Event

Co-Sponsored by [The Hertel Report](#)

Thursday, February 22nd 8:30 am – 4:30 pm
Phoenix Airport Marriott
1101 N. 44th St. Phoenix, Arizona 85008

This one-day event will convene executives from health systems, medical groups, health plans, value-based networks, post-acute providers and other organizations to explore progress toward value-based care, bundled payments, and episodic accountability. Learn how the Arizona healthcare community is connecting through technology and data sharing and moving to larger episodes of care; focusing on the importance of coordinated post-acute partnerships and shared accountability.
