

**hfma**<sup>™</sup> arizona chapter  
healthcare financial management association

# WE ♥ OUR MEMBERS

New memberships are the key to our growth and success of our chapter and we are thrilled to count you among our ranks. Whether you are supported by your organization, or have joined individually, your HFMA membership is an investment that will continue to bring value. I encourage you to make the most of it by attending educational and networking events, contributing your expertise and experience to the newsletter, and getting involved in our committees.

Thanks to each and every new member and transfer-in. Welcome!
